

How can we be more environmentally friendly?

Use insulating window films

Use energy cost savings for 'green' projects with customers

Share advice to keep warm e.g. blankets, closing doors

Ask environmental questions when hiring new contractors

Share videos about adjusting your boiler and heating

Keep heat in by closing windows

Don't overfill the kettle - only boil what you need!

Turn down radiators in rooms you don't use

Don't waste paper - and recycle what you use

Have environment champions - customers and staff!

Use public transport or walk or ride a bike

Spend more on installing energy efficient windows and doors

Send more emails and fewer letters

Get more funding for more projects

Wait until you have a full load to use the washing machine

Make a 'green' project fund that customers/ staff can apply to
